

ARTstor contains one million digital images in the areas of art, architecture, humanities and social sciences.

The Kohler Art Library is pleased to announce workshops for faculty, staff, and graduate students. All workshops will be conducted by a visiting ARTstor trainer.

### ***Teaching with ARTstor (designed for faculty)***

A special 90 minute hands-on workshop:

- Learn how to build a lecture with ARTstor
- Learn how to give presentations with ARTstor
- Learn how to share your presentations

date: Wednesday, March 11, 2009

times: 11:30-1:00 **OR** 2:30-4:00

location: Memorial Library, room 436

.....

### ***Presenting with ARTstor (designed for all users)***

An informative 45 minute demonstration covering:

- How to create and give online presentations
- How to create and give offline presentations using the Offline Image Viewer (OIV)
- How to add ARTstor images to PowerPoint

date: Thursday, March 12, 2009

time: 10:30-11:30

location: Memorial Library, room 126
